## Forget Park Lane, Maunu Rd is where it's at!

When playing Monopoly, everyone is always trying to get to Park Lane and Mayfair, to buy those blue squares before anyone else. But that's not the best move.

The best idea is to grab where players land most often (It's the 3 orange ones in case you were wondering...) put houses up and collect the rent. Buy all three and get those houses up!

It's the same in real life as well.

The difference is that here on Maunu Rd, number 101, 103, and 105 already have the houses up. Two of them also have tenancies in place until April 2022, so you can buy and hold knowing you're all set. Over time, you might like to explore the subdivision or further development potential of having three properties side by side for a total land holding of approx 2,777qsm.

Or, if you're an active buyer and have been looking to get into something for yourself - then 105 Maunu Rd is empty and ready for you right now. You also have the option of buying 101 or 103 Maunu Rd and earn the income from the rent until April next year when they would be ready for you to move in.

Individual property details for 101 Maunu Rd:

1920's Bungalow

3 bedroom

1 bathroom

104 sqm home on a 784sqm section

It doesn't matter if you prefer to play with the top hat, scottie dog, wheelbarrow, thimble, or boot, come along and play in the real world and get on the board.

Sorry the racecar is taken, that's my piece!

Welcome home.
