HOME SELLER BOOTCAMP

A photograph of a man from behind, shirtless and wearing light-colored shorts, standing on the deck of a sailboat. He is holding a dark backpack in his right hand, which is raised. The boat is moving through blue water, leaving a white wake. In the distance, another sailboat is visible on the horizon under a blue sky with light clouds. The overall tone is bright and adventurous.

02. THINGS TO THINK ABOUT

DO YOU HAVE A TIMEFRAME FOR GETTING YOUR HOME LISTED?

It's important to prioritise meeting with a Real Estate Agent as one of the first things you do. You want to have a clear plan before listing your home including making sure your house looks it's absolute best.

So for example, If you're 30 days out from wanting to put a for sale sign out front and get your house on the market, you'll want to expedite your checklist!

WHAT IS YOUR NEXT STEP?

Are you moving locally? Will you need to start a home search for a new house right away? Do you have to sell to buy? Make a plan for this with your Real Estate Agent as well. Share any details that are contingent to selling your home.

For example, if you need to find a new house before closing on your current home, this is something you'll want to plan for in advance.

WHAT ARE YOUR ESTIMATED NET PROCEEDS?

Once you've met with your Real Estate Agent and determined the likely selling range of your home, you'll want to get an estimate of what the proceeds from your home sale will be. Since you don't know the Accepted Offer price yet, this is only an estimate.

Be aware of the expenses you're responsible as a home seller. Knowing this up front will eliminate any surprises once you're in the middle of a transaction.

WHAT DO YOU LOVE MOST ABOUT YOUR CURRENT HOME?

Make a list of the things you love most. Whether it's a specific home feature such as a sunny deck, or the bush trail that runs behind your neighbourhood where you run every day - Writing these down will help your Real Estate Agent be able to best market the lifestyle of living there!
